Eye of the Eagle...

PRESIDENT'S REPORT:

It was disappointing to see such a poor turn out at our Annual General Meeting attended only by the committee and two other members. I can only assume that all our members are 100% happy with the way the Club is being run so we will keep up the good work.

Thank you for all the members who have put up their hands to help run our Club. A special thank you to Jan Thacker who has stepped down from the committee to take up the position of Assistant Secretary of The Junior Domestic Committee we wish her well. To David Groom we welcome you back to the committee and we welcome Reece Marshall for standing for a position on the committee and your input will be most welcome.

With the Winter Season Finals nearly upon us I wish all our players and coaches good luck and congratulations for making the finals. Remember to go along and support all our teams.

The Club is taking all our players to see the South Dragons play at the Vodafone Arena after Christmas as a thank you for all your support in our Fundraising Drives even the members who refuse to Fundraise will be welcomed!. Players will be FREE and for their parents and siblings there will be a small charge (to be advised). We will leave by bus from the Knox Stadium and return to the Stadium after the game it should be a great night out for all our members. All our players must wear their Eagles Uniform.

With over seventy teams registered for the upcoming summer season we are interested in talking to parents or players who wish to coach. If you are interested in coaching please see me or Steve Merchant at St Joes.

We are already planning our Christmas break up and this year Santa will have a special surprise for all our players but you must be good (even you Kiel!).

I look forward to seeing you around the courts.

NOTES FROM THE SECRETARY:

Team Manager Reminder and Volunteers Required

We are looking like having over 35 teams representing the Eagles in the upcoming finals series. As a club we like to provide each team with a scorer so the parents can sit back relax and enjoy the game. We are calling on people to volunteer some time to score for our finals teams- if you are interested please let me know ASAP, with such a large number of teams making finals we can not simply rely on just committee members.

It is very important that during finals no team managers add player names to the score sheet. If you have any concerns on the day please call my mobile ASAP for it be sorted out before the game starts.

Training

It is the policy of this club that all children are wearing the appropriate footwear for both training and for games as an increasing number of children are failing to do so. It is in your child's best interests to do so for comfort as well as injury prevention.

Please also remember the side doors at St Joes are out of bounds, so can everyone please stick to the main entrance.

New Players or players not returning

We currently seeking players for the upcoming Summer 2008 season, so if you have any friends, family or neighbours that are interested in playing basketball please ask them to give me a call as soon as possible. **Likewise if you are not playing next season please contact me (not your coach) on 9758 6338 ASAP so you are not placed in a team.** Please do not assume because you have not paid your fees we will know your child is not playing.

A reminder to all players

If you are unable to make training or a game please ensure you contact your coach as soon as possible, as it can be extremely frustrating for coaches to arrive to training or a game and only find minimal players, especially in the upcoming Summer season. Missing a training or a game simply due to the extreme heat is not really acceptable, as the rest of the team is relying on you being there for substitutions.

Player Details

It is extremely important that if you change your details (e.g. phone number or address) that you contact me as soon as possible so we can update our records. This ensures are smoother process for the upcoming Winter season.

I hope all players have had an enjoyable season and best of luck to all teams that have made the finals.

Look forward to seeing you HOOP'N next season! ☺
